Practical shooting is a sport that allows you to combine the ability to shoot rapidly and accurately with a handgun or pistol caliber carbine and **NEW FOR 2022 RIFLE** in a fun and safe manner. 4-6 different shooting stages, all about shooting, moving through courses and doing it fast (well at whatever speed you are comfortable with). No special equipment needed. Pistol/ PCC 9mm or greater, OWB strong side holster and a few magazines/speed loaders, Rifle 223 or above, rifle carry bag and magazines. 22lr can be unofficially allowed in certain circumstances for new shooters.

Open to youth and adults- membership not required.
All minors must have responsible adult stay with them.
